Trump Wants Federal Death Penalty for Some Opioid Dealers

In addition to a federal death penalty for some drug dealers, the White House plan also calls for making it easier to invoke the mandatory minimum sentence for drug traffickers who knowingly distribute illegal opioids that can be lethal, like fentanyl.

Judge Blocks Los Angeles Gang Enforcement Program

The order is believed to mark the first time a judge has blocked Los Angeles officials from enforcing the injunctions, which were born from a time in the late 1980s and '90s when gang activity in the city gained national attention. Their use has been credited by law enforcement...

Autopsy Shows Chicago Police Commander Shot 6 Times

Bauer, 53, a 31-year department veteran who headed the Near North patrol district, was shot twice in the head, twice on the right side of his chest, once on the left side of his neck and once in his right forearm, the autopsy report showed.

Officer

Nassau County, NY, police say an officer fatally shot a bat-wielding suspect in Great Neck Monday morning following an apparent road rage confrontation. The suspect reportedly attacked and injured two people who needed to be hospitalized.

Company Says It Provided Right Address to Dispatcher the Night Missouri Officer Killed

The day after the shooting, investigators revealed the 911 call originated in Windsor, Mo. But dispatchers sent police to a home around 20 miles away in Clinton, Mo.

NYPD Sued Over Removal of Religious Head Coverings for Booking Photos

The suit challenges a 2015 NYPD policy requiring that booking photos have an unobstructed view of the subject's head, ears and face, requiring the removal of any headwear. The plaintiffs contend that policy violates the women's freedom of speech, the Religious Land Use and...

Experts Believe Anonymous Tip Lines Can Prevent School Shootings

In Colorado, at least two high school students were arrested based on information sent to the state anonymous tip line and mobile app, known as Safe2Tell. “They had a list, they had weapons, they knew exactly what they wanted to do,” said Colorado Attorney General Cynthia...

Unadoptable Dog Now Called Hero K-9 by Rhode Island State Police

“She did not have an off switch,” Inman wrote in a Facebook message. “She was too much dog for most families.”
